

logic::Observer

```
classDiagram
    class logic::Observer
    class logic::Score
    logic::Score --|> logic::Observer
```

A UML class diagram illustrating inheritance. The class `logic::Observer` is shown at the top in a white box with a black border. The class `logic::Score` is shown at the bottom in a gray box with a black border. A blue arrow points from the bottom of the `logic::Score` box to the bottom of the `logic::Observer` box, indicating that `logic::Score` inherits from `logic::Observer`.

logic::Score
